## MESSAGE FROM THE BOARD

As the summer like weather continues into the spring, we bid farewell to our “snowbird” friends. Just a few reminders before departing:

(1) In preparation for hurricane season, place all outdoor furniture, hanging flower baskets, etc (anything that might become a projectile during high winds) inside the unit.

(2) Provide the office with a telephone number where you can be reached in case of emergency.

(3) Provide the office with the name and telephone number of the company/individual who is responsible for your lawn service.

(4) Trim bushes – keep in mind that the growing season in Florida is continuous.

We wish you health, wealth and happiness and look forward to seeing you in the fall.

The next regularly scheduled Board Meeting is April 9, 2018, 7:00 p.m. at the Club House

## Aluminum cans

A designated shed for recycled aluminum cans is located behind the shuffle board court.

### CLEAN ALUMINUM SODA/BEER

#### CANS ONLY

NO cigarette butts.

**PLEASE!!!!** - Rinse out the cans and do not partially crush or bend the cans. You can place them in a plastic sack or old green bucket and place them next to the recycle bins on recycle day and the Maintenance Personnel will pick them up and take them to the shed.

The money earned helps to supply the kitchen with supplies, coffee and furnished meat for functions.
