Amendments to the Declaration in the Condominium Documents during the past several years.

10. Assessments

10.4 Lien. The Association shall have a continuing lien on each Condominium Unit for any unpaid assessments, together with interest thereon, against the Unit Owner of such Condominium Unit. Reasonable attorneys' fees incurred by the Association incident to the collection of assessment or the enforcement of such liens including litigation, arbitration and appellate proceedings, together with all sums advanced and paid by the Association for taxes and payments on account of mortgages, liens or encumbrances which may be required to be advanced by the Association in order to preserve and protect its continuing lien shall be payable by the Unit Owner and secured by such continuing lien. The Association's continuing lien shall also include those sums advanced on behalf of a Unit Owner on payment of his obligation. The Board of Directors may take such action as they deem necessary to collect assessments by personal action, or by enforcing foreclosing and continuing liens, and may settle and compromise the same, if in the best interest of the Association. Said continuing liens shall be effective as and, in the

manner provided for by the Condominium Act and shall have the priorities established by said Act, except as herein provided. The Association shall be entitled to bid at any sale pursuant to a suit to foreclose an assessment lien.

10.5 Liability of Institutional Mortgagee. The continuing lien of the assessments provided for herein upon any Unit shall be subordinate to the lien of any first mortgage and to no other recorded mortgages or liens which have not

already been recorded in the Public Records of Brevard County, Florida, prior to the date this amendment is recorded and becomes effective. The continuing lien of the Association for any assessments is subordinate to such first mortgage or previously recorded mortgages subject to the provisions of *FLA. Stat.* Section 718.116, as may be amended, provided said mortgagee properly names the Association in any action to foreclose the subject mortgage. Any monetary obligations, including assessments, not collected as a result of the foreclosure of such a mortgagee as noted above taking title to a Unit following a foreclosure of its first mortgage or previously recorded mortgage or by acceptance of a deed in lieu of foreclosure pursuant to the provisions of Chapter 18, *Fla. Stat.*, as same may be amended, shall be deemed a common expense collectible from all Owners, including the acquiring mortgagee, on a *pro-rata* basis.

The title of any other party taking title to a Unit at the foreclosure sale of such a mortgage or other lien aside from that for unpaid real estate taxes shall be subject to *in rem* liability for the payment of all monetary obligations due and owing on said Unit at the time of the foreclosure sale or conveyance, including any assessments, as well as any and all of those monetary obligations, including assessments, coming due thereafter Any such transfer to or by a mortgagee shall not relieve the transferee of responsibility, nor the Unit from the lien for assessments thereafter falling due.

No sale or transfer shall release such Unit from liability for any assessment thereafter becoming due. A foreclosure sale, or a proceeding in lieu thereof, shall not, however, extinguish the personal liability of the Owner whose interest was foreclosed for any assessment upon the Unit which became due prior to the date of such sale.

12. Sale and Rental of Condominium Units. There are restrictions placed herein regarding an Owner's right to sell or rent his Condominium Unit. In order to effectuate the purposes of said Rules and Regulations, to maximize compliance with the use restrictions provided in this Declaration, in the By-Laws and in said Rules and Regulations, as well as to endure that the Association is and at all times remains a valid housing opportunity for older persons, the Board of Directors is authorized to screen in advance all proposed leases, sales and other transfers of Units and to approve or disapprove in writing all proposed changes in occupancy of every Unit in the Condominium. Notwithstanding any other provision contained herein to the contrary, the Board of Director is empowered to adopt reasonable rules and regulations and forms for use to facilitate the proper exercise of this power. Approval or disapproval of a proposed change in occupancy shall be given no later than ten (10) business days after a completed request has been properly submitted to the Board, or the change in occupancy shall be deemed approved. In the event that a change of occupancy occurs prior to obtaining written approval, such request for a change in occupancy shall be deemed withdrawn and the occupant shall immediately and permanently vacate the Unit.

No time sharing plan as the term is defined in Chapter 721, Florida Statute, as amended from time to time, or any similar plan of fragmented or interval ownership of a Unit shall be permitted on the Property, and no attempt to create the same by lease or otherwise shall be allowed. An Owner must own their Unit for a minimum of two (2) years before leasing or renting the Unit. All short-term rentals and licenses (which are for less than a three (3) month period) are strictly prohibited. In no event shall any Unit be leased more than two (2) times in any calendar year. If any lease is terminated before the end of the original lease term, a

new lease may not be entered into until the original lease term expires, except when the termination of a lease is for good cause as determined at the sole discretion of the Board. Owners and tenants are prohibited from listing or advertising a Unit, whether directly or through a third-party, as being available for short-term rental and license. Without limitation, this provision is intended to prohibit Unit use, listings, and arrangements similar to and including those associated with AirBnB, VRBO, and other short-term rental/license companies, applications, and websites. Upon reasonable suspicion of a violation of these provisions, the Board of Directors may require an Owner and/or tenant to provide a notarized sworn statement, under penalty of perjury, affirming the Unit is not, has not, and will not be used for these purposes. Said affirmation must be provided in a form acceptable to the Board, in its sole discretion. Failure to provide said affirmation within fourteen (14) days of such request by the Board shall constitute an independent violation of this Declaration and shall further establish a rebuttable presumption that the Owner and/or tenant has violated these provisions. The burden of proving said rebuttal shall be borne by the Owner and/or tenant by a preponderance of evidence.
