

THE ACTIVITIES COMMITTEE WELCOMES YOU....

Monday mornings (10 a.m.) is a great time to meet with your neighbors for Coffee Break and to hear of upcoming activities and an occasional guest speaker. A newsletter with scheduled activities is published monthly. It is available at the Office the first of each month.

We are a very “active” community with weekly Bingo, Bowling, and Art Classes. We also have a monthly Ladies Luncheon, Nite Out and Pot Luck Dinner. The heated pool is also very busy with water aerobics and just “bobbing up and down”. For fun, try Shuffleboard and Basketball. The Forest Lake Players put on a show and are always looking for new “talent”. Our crafters make and contribute to our very successful and amazing Annual Marketplace.

There is a yearly community-wide yard sale with a hot dogs and/or lunch available at the clubhouse. And you must not miss the annual picnic held in the spring.

As you can see, our calendar is packed with many fun-filled events. The Clubhouse is available to our residents for private parties by reservations made at the Office. A small refundable deposit is required.

Please become involved and participate in your new community’s activities. New ideas and suggestions are always welcome and valued.

SEE YOU MONDAY MORNING.....
